EMERGENCY OPERATIONS CENTER

FOR IMMEDIATE RELEASE

PRESS RELEASE # 6

Date: 9/9/2011

Time: 0400

**ORANGE COUNTY EMERGENCY OPERATIONS CENTER
DEACTIVATED**

Due to the restoration of electrical power in the San Diego Gas & Electric service area in Orange County, the Orange County Emergency Operations Center has deactivated as of 4 a.m. on Friday, September 9. The Public Information Hotline has also been deactivated.

For information on the status of San Diego Gas and Electric's efforts to restore electric power in other areas, please visit www.sdge.com. The utility has asked that customers reduce power use while other areas are being returned to service. This includes minimizing the use of air conditioning, where possible, to reduce demand on the electrical grid.

Residents are reminded that they can receive emergency alerts on their cell phones and other devices by registering online at www.alertoc.com.
