County Administration North (CAN) is a six-story, 250,000-square foot midrise which opened in July 2022. CAN features a state-of-the-art Board Hearing Room with a 300-seat capacity for the Board of Supervisors designed to increase public participation and openness. It also houses offices for the Board of Supervisors, Clerk of the Board, County Executive Offices, County Counsel, OC Health Care Agency, and OC Public Works custodial staff.

A new public plaza connects CAN to its virtual twin, County Administration South (CAS), which opened in 2019 featuring a County Service Center for the public to connect directly with 13 County departments.

The County formally opened its new Civic Center complex in July 2022, the cornerstone of a 20-year master plan to modernize the County’s real estate assets in Santa Ana, create healthier work environments for employees and reshape the County’s connections with the public. The Civic Center covers 17 acres, 16 County-owned buildings, 4,600 employees and more than 1.6 million square feet of space.
